News from Uganda

The following is extracted from Elijah's Global Discipleship Ministries Newsletter - September 2009

In Uganda and East Africa at large. We are having a terrible famine and hunger. Over 22 + million people are without food and hundreds of people are dying every day. In Uganda famine is especially rampant in the Northern and Eastern parts of the country.

The most vulnerable people are the children and women.

Food prices have sky rated and in many areas water is in scarcity.

- All children have been served with shoes and clothes this month.
- Special thanks to Falck Nuteck for donating and shipping a fully packed container for us. Also special thanks to all friends and partners of Hands of Love UK for giving us all the precious gifts.
- Our General special meal for Sept was served on 24th. To us having good food for all the children, is a big gift. It is a special blessing. Special thanks to: - Phil & Ruth Quinton, Helen Moon, Cusworth/Ross Family, Peter McClusky and Hands of Love UK at large for donating Sept money for this special meal.
- We have a very big need of a second toilet, shutting and finishing the four classroom block. There is a very big need for £1500 to construct the much required kitchen and money to complete the four classroom block. There is also very big need of a second toilet
- We are having 38 children with decayed painful tooth that need to be extracted. Please pray for the required money.
- With the coming rain that is causing flooding and cholera outbreaks in many parts of Uganda, the health of the children has generally deteriorated.
- 82 children have boils (small wounds) in their head. We fear it might be an outbreak of a strange disease!

GDM website is www.globaldiscipleship.net

HoL Orphanage & School

100 children are now sponsored but that means over 200 still need sponsorship.
10 teachers are also still to be sponsored.

The Classroom Block

The roof is now on but there is still much to be done. At least £1500 is needed for doors, windows, wall plastering, concrete floor and painting.

The Website

www.handsoflove.org.uk

This is very much an ongoing project if you have access to a computer it's worth checking as it is being updated all the time

Hands of Love USA also have a website this can be found at www.handsofloveusa.org

CHRISTMAS

Why not buy your friends and family a "Gift of Love". All the gifts will hugely benefit the children who reside at Hands of Love Orphanage and School. Once we receive your order and payment you will be sent a postcard sized certificate of your gift (to send or keep) with a description of the gift, and the work of Hands of Love Orphanage and School.

A "Gifts of Love" leaflet is enclosed with this newsletter.

The Container

The container arrived earlier this year - Elijah wept when the container was opened, they were however tears of joy. Amongst the gifts in the container were many pairs of shoes - very much needed.

Shoes African Style
